Welcome to Festival 2026

A Message from the Chair

Welcome to the 2026 Randalstown ARCHES Community Festival.

Once again, we are delighted to bring together residents, visitors, community groups, volunteers and local businesses for two weeks of activities celebrating everything that makes our town special.

This year's programme offers something for all ages, from family events and outdoor activities to music, culture, food, heritage and community gatherings.

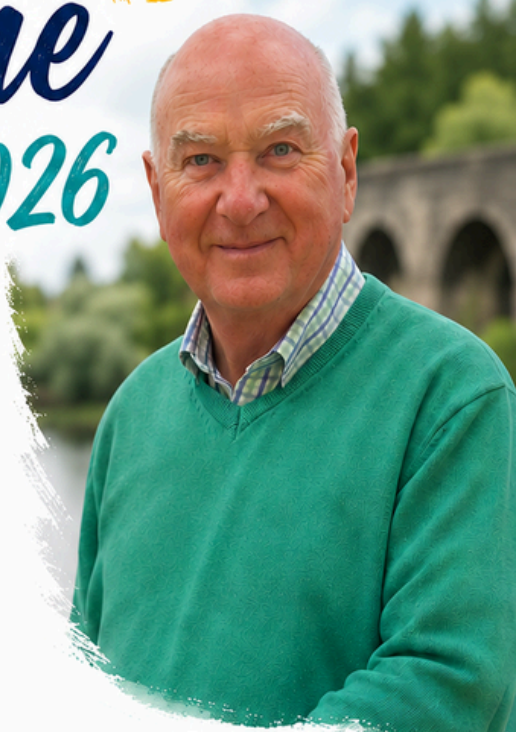

None of this would be possible without the dedication of our amazing volunteers, the support of our sponsors and funders, and the many community groups and individuals who give their time and energy so generously.

We hope you enjoy the festival and thank everyone who has helped make it possible.
